Short Description

55" 2-Door Commercial Bottom Mount Glass Door Refrigerator in Stainless Steel

Description

The **Dukers D55R-GS2** reach-in commercial refrigerator is designed to suit the needs of any business who needs optimal performance without sacrificing design. Its' two tempered glass doors are accented with high-quality brushed stainless steel for both the interior and exterior to fit a variety of decors. Recessed door handles allow for clean styling and better ergonomics. The heavy-duty compressor is bottom mounted for excellent efficiency and cooling. Digital controls fine-tune the desired interior temperature. Self-closing doors free up your hands for added convenience and ease of use. Auto-defrosting provides lower energy costs and colder temperatures. The included 8 shelves can be adjusted or removed for flexibility and maintenance. Easily move and position with four swivel casters.
